

VENUE ADDRESS

88 Dalhousie Street, P.O. Box 1762 Brantford, Ontario, N3T 5V7 (519) 752-9910 (800) 265-0710 Fax (519) 752-1866

TECHNICAL DIRECTOR

Leanne Rich (519) 752-9910 (800) 265-0710 Extension 5675

TECHNICAL PERSONNEL:

All technical personnel are supplied by IATSE Local 129

Please take note of the following rules regarding stage labor calls;

- a) Crews may work a maximum of four (4) hours without a meal break.
- b) For periods over four (4) hours, crews must receive a one (1) hour meal break.
- c) If the meal break is shorter than one (1) hour, a meal must be provided for the entire crew, paid for by the Renter. Meal breaks shorter than 1 hour are paid time and must be at least thirty (30) minutes uninterrupted.
- d) Crews must receive a fifteen (15) minute coffee break at or near the midpoint of any four (4) hour period except for show calls. This break does not count as a meal break.
- e) You cannot request specific crew members; the crew are scheduled based on seniority. Please contact our Technical Director with any specific questions regarding staffing.

THEATRE SPECIFICATIONS:

Stage width at proscenium: 49' 0" (drapery set to 40' opening) Stage height at proscenium: 24' 0" (centre of arch), 18' 0" (sides)

Stage depth from back wall to proscenium arch 29' 0", to apron edge 31' 6"

The curved orchestra pit cover adds 6' 6" (on centre) to 4' 2" (edges) to the stage depth. Upstage crossover: 3' 9" wide (this reduces usable stage depth to 25' 3" from proscenium line)

Wing dimensions; stage left 18' 0" wide, stage right 21' 0" wide

Stage floor: Hardwood maple painted with flat black Rosco Tough Prime

Orchestra pit: 7' 0" below stage floor

Orchestra pit width (L to R): 28' 3" (Upstage) to 36 '0" (Downstage)

Orchestra pit depth (U to D): 19' 0" (Sides) and 23' 8" (CS)

(From nose of stage: 16' 0" - 3' 0" (Sides) and 16' 0" - 7' 8" (CS)

Orchestra pit access via spiral staircases in the stage right (DS) and stage left (US) wings.

Updated: February 1st, 2022 Page 1 of 9

Updated: April 11, 2022 Page 2 of 9

...continued

Additional Information:

Laundry facilities – one large-capacity washer and one large-capacity dryer available on the second floor.

Bus shore power – one stove plug available at the Loading Dock door.

The stage can be extended into the house in various 8', 12', or 16' configurations replacing the orchestra pit cover. We currently have used over 25 different stage extension configurations, each blocking a different amount of seating. Please call to discuss any special needs prior to tickets going on sale so the required seats can be held.

NOTES:

Pyrotechnic effects **MUST** be demonstrated to and approved by the Technical Director and Fire Marshal prior to the first performance. These effects must be operated by a properly-licensed and insured technician. **ANY** open flame such as candles or flash-paper also requires advance approval. Please contact us at least 45 days prior to event to apply for fire department approval.

Lagging or screwing into the stage floor is **NOT** permitted under any circumstances.

All stage and show personnel should enter the facility using the Stage Door at 61 Darling Street.
